SEAL OF AUTHENTICITY

True Neopolitan Pizza requires strict adherence to the culinary discipline of the Associazione Verace Pizza Napoletana – from the preparation and ingredients to the cooking method. Only 00 flour, San Marzano tomatoes, all natural fior-di-latte or bufala mozzarella, fresh herbs and fresh, all natural, non-processed ingredients are acceptable. The only cooking method approved is wood fired oven.

Marco's is the first pizzeria in Colorado to receive the coveted VPN certification. Look for the seal of authenticity and enjoy the pleasures of Napoli.

I think you'll be as passionate about our food as I am!
